

VIRTUAL BIRTHDAY PARTY Registration

Our in person Birthday Parties are currently on hold so we are offering you fabulous online virtual parties!

Create Memories from the comfort of your own Home!

How it Works:

Email/call us to book a day and a time for your virtual party.

Decide on a theme/project (craft, painting, drawing, etc.)

A list of guest e-mail addresses will be given so that the invitation e-mails can be sent out.

Materials: Material packages for each guest will be dropped off at your home to be delivered to the guests. Each bag/box will contain all materials needed for the art project as well as a few fun birthday items for guests.

Cost: Pricing is based on the cost of materials as well as a fee for the instruction, delivery of materials, etc.

The party is delivered via Zoom in which the guests will be invited to prior to the party date. The instructor has two camera views, one of her face to interact and help problem solve and the other close up on the art work for detailed step by step guidance.

Want to add extras to your party?

Try thinking of items that you can add into the part package. We have had some families make 'cake in a mug' bags for parents to mix and microwave to have a special treat and song at the end of the art project.
